ABOUT CHAI

CHAI is a powerful musical journey that transforms sorrow (Yagon) into joy (Simcha), darkness into light.

The CHAI Experience celebrates the resilience of the Jewish spirit through the universal language of music. Each performance weaves together music, videos, and storytelling to honor lives lived with passion and purpose, and to celebrate strength, survival, and hope.

We remember. We celebrate. **We rise.**

For CHAI means LIFE, and through song, the light lives on.

Am Yisrael CHAI.
